

Nanaimo Lifeline Volunteer Opportunity: Home Service Representative

Are you looking for a rewarding volunteer opportunity? Volunteer with Lifeline! Lifeline is a personal emergency response service, with help at the press of a button. We provide service to clients in the Nanaimo and Oceanside regions of Vancouver Island, as far north as Bowser and as far south as Ladysmith.

The Nanaimo Lifeline program is owned and operated by the Nanaimo & District Hospital Foundation. All proceeds from Lifeline support healthcare in our region.

Requirements:

- Ability to troubleshoot hardware
- Excellent communication skills
- Basic computer skills
- Discreet and understands confidentiality

This position is for the equipment-savvy person, and involves installing new equipment in the homes of our clients, and handling routine maintenance work such as Personal Help Button replacements. The time commitment depends on your availability, but we ask for a minimum of 2 hours once a week.
